

Zijn groene vingers nog nodig in 2030?

A world map with a light beige background. The map is color-coded by country, with colors ranging from light yellow to dark brown. A large green title is overlaid on the top left of the map, reading 'Zijn groene vingers nog nodig in 2030?'. A double-headed white arrow points from the eastern coast of the United States to the western coast of Europe.

A world map with a light beige background. The landmasses are colored in various shades of brown, tan, and light blue. Overlaid on the map is the text "Zijn groene vingers nog nodig in 2030?" in a bold, green, sans-serif font. Two white arrows originate from the text: one points towards the United States and the other towards Europe.
